FOR IMMEDIATE RELEASE

April 7, 2022

Citywide street sweeping begins April 11 in Huntington

HUNTINGTON – The Huntington Sanitary Board and Sweeper Corporation of America will begin the 2022 citywide street sweeping season Monday, April 11, as part of an effort to minimize the impact of storm water on Huntington’s roadways and prevent pollution.

It is important to note that this is not a beautification effort but rather a critical action to keep debris from entering the sewer collection system and treatment plant.

Residents are asked to keep an eye out for new signage to give them advanced notice. Every Friday, large, yellow signs will be placed along street sweeping routes for the following week to inform residents that street sweeping is scheduled to occur in their area and to watch for “No Parking” signs.

The day before street sweeping occurs in a particular area, the large, yellow signs will be replaced with white “No Parking, Street Sweeping” signs that remind residents to remove their vehicles from the roadway during scheduled street sweeping hours, which are 8 a.m. to 5 p.m.

The Huntington Police Department will patrol and issue citations to vehicles parked in the sweeping zone during the scheduled hours.

Only curbed streets will be swept, and residents are prohibited from placing grass clippings, leaves and tree limbs in the street. Street sweepers will not remove these items.
