## **Citywide street sweeping continues in Huntington**

HUNTINGTON – The Huntington Sanitary Board and Sweeper Corporation of America (SCA) will continue citywide street sweeping season Monday, April 19, as part of an effort to minimize the impact of storm water on Huntington’s roadways and prevent pollution.

It is important to note that this is not a beautification effort but rather a critical action to keep debris from entering the sewer collection system and treatment plant.

Residents are asked to keep an eye out for new signage being implemented this season to provide more advanced notice. Every Friday, large, yellow signs will be placed along street sweeping routes for the following week to inform residents that street sweeping is scheduled to occur in their area and to watch for “No Parking” signs.

The day before street sweeping occurs in a particular area, the large, yellow signs will be replaced with white “No Parking, Street Sweeping” signs that remind residents to remove their vehicles from the roadway during scheduled street sweeping hours, which are 8 a.m. to 5 p.m.

The Huntington Police Department will patrol and issue citations to vehicles parked in the sweeping zone during the scheduled hours.

Only curbed streets will be swept, and residents are prohibited from placing grass clippings, leaves and tree limbs in the street. Street sweepers will not remove these items.

**-MORE-**

The proposed Cycle 1 Sweeping Schedule for April – May 2021 is as follows:

<b>Date</b>	<b>Day</b>	<b>Section</b>	<b>Council District(s)</b>
4/5/2021	Monday	1	Council District 9.
